

Topic 30 Circles and Angles

Part 2: Solve for x

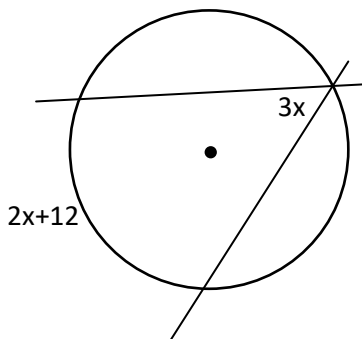

1)

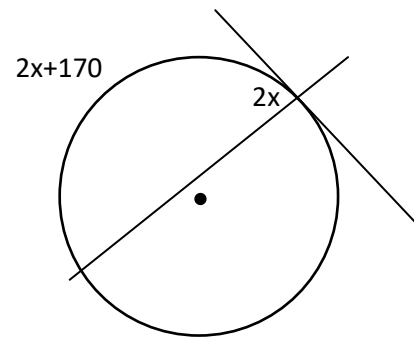

2)

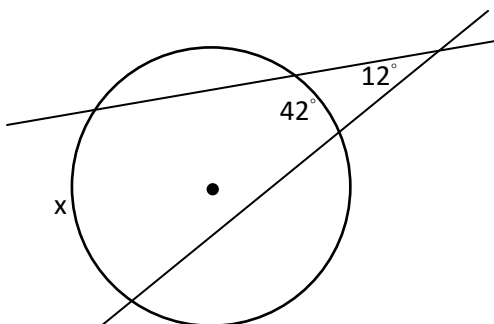

3)

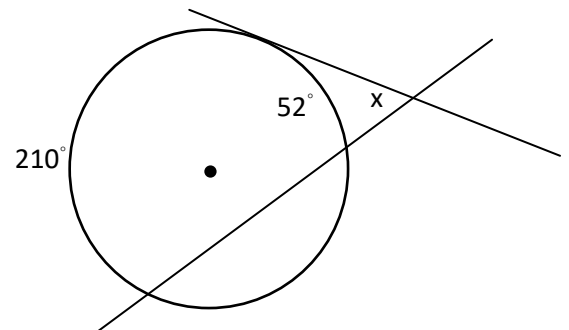

4)

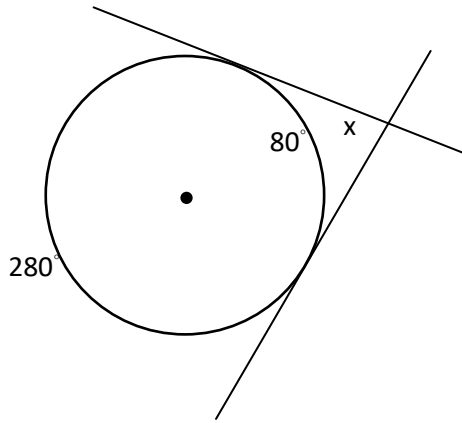

5)

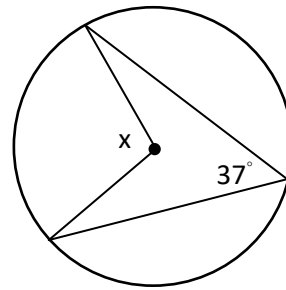

6)

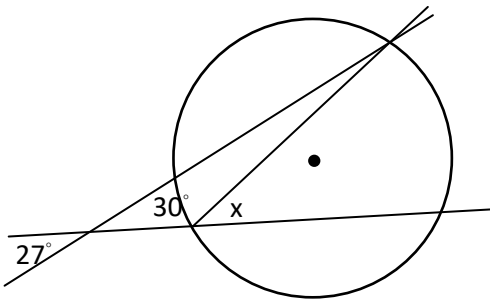

6)

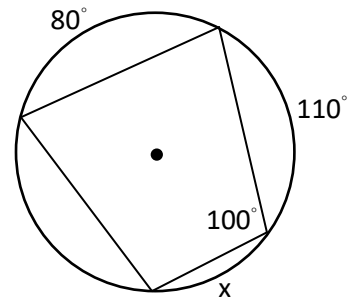

7)

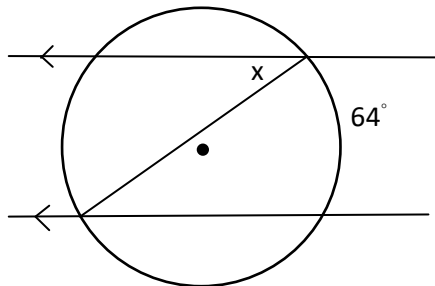

8)

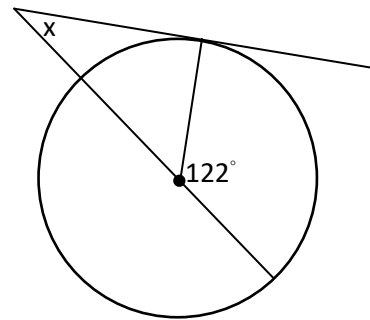

9)

10)

11)

12) With a few simple rules, we have been able to solve some pretty complex problems. Think about a problem you could create that would be challenging, yet fun.
