

	<p style="text-align: center;">Lesson #5: Foundations of Geometry Practice Quiz</p>	<p style="text-align: center;">Name: _____</p>
--	---	--

Use the illustration to the left for questions 1 - 8

True/False

- 1) Point L lies on plane F.
- 2) Point C lies on plane P.
- 3) M is the midpoint of \overline{VA}
- 4) M is the midpoint of \overleftrightarrow{VA}

Fill in the blank

- 5) The intersection of plane CMA & plane HJK form line _____
- 6) Another name for line \overleftrightarrow{VM} could be _____
- 7) Name all the line segments of \overleftrightarrow{VA} _____
- 8) The opposite ray of \overrightarrow{MA} would be _____

9) What is the point that partitions the directed segment \overrightarrow{AB} 2:4

10) What is the point that partitions the directed segment \overrightarrow{AB} 1:5
